"Committed to Excellence"

Dear Applicant,

Thank you for your interest in joining the Angwin Fire Department. As a volunteer fire department we are always interested in people who are looking for an exciting and fulfilling way to serve their community.

Enclosed you will find, in addition to this note, two forms. One is the Personnel Information sheet and the other the I-9 Form.

You will need to submit the following items to complete your application packet:

- Personnel Information Sheet – Complete down to the double line. (Use your “local” Angwin/PUC address and phone number.)
- I-9 – Complete down to where it asks for the “Employee’s Signature.”
- Valid California Driver’s License
- Alternate Form of ID – as listed on the I-9 Form (ex. Passport, Birth Certificate, SS Card etc)
- CA Drivers Record – visit dmv.ca.gov or your local DMV office.

Submit your application packet to me in person at the station or make arrangements to submit it by contacting me via email at jrogers@angwinfire.com

Once we have received your application and the additional required documents from you, you may be contacted to set up an interview. If, after the interview process, you are selected to become a member of the fire department, your application will be forwarded to the Napa County Fire Department offices for processing and you will receive further instructions for background checks, fingerprinting and a physical.

After you have successfully completed the process, the County will send AFD a letter of acceptance into the Napa County Fire Department and then a Chief Officer will contact you. Once you have been accepted, you will be covered by County insurance while training during the Fire Academy and drills, and later on, during actual emergency calls.

If you have any questions, please feel free to contact me.

Sincerely,

Angwin
